▽ *Indoor Shoes are new shoes that have not been worn outside and can be slipped on and off easily. If you choose to provide your child with slippers they must be free of cartoon/movie characters, and stay on your child's feet when walking. No slip-on, open back slippers. Please select slippers that fasten to your child's feet with Velcro or elastic. Slippers with a sturdy sole last longer and prove to be more durable in the classroom. In our experience parents have had greater success ordering slippers online during the summer months when they are difficult to find in local stores.*
