\*These items must be labeled with your child's first and last name.

▽Slippers need to be plain, free of cartoon/movie characters, and stay on your child's feet when walking. No slip-on, open back slippers. Please select slippers that fasten to your child's feet with Velcro or elastic. Slippers with a sturdy sole last longer and prove to be more durable in the classroom. In our experience parents have had greater success ordering slippers online during the summer months when they are difficult to find in local stores.
