Budding Ballerinas | Kids Bop Jazz

Does your child like to groove to music, dance and have fun? Then why not enroll them in one of our exciting Dance Classes being offered through the Absorbent Minds enrichment program? Ballet and Kids Bop will be taught by owner and founder of I'hDe Rather Be Dancing School of Dance, Elisabeth Ihde Cavallaro. (www.ihderatherbedancing.com).

Budding Ballerinas is an adorable and delightful, introduction to Ballet class, geared for children ages three to six. Students will enjoy Ms. Elisabeth's Fairy Tale Ballet with an exciting introduction to ballet through the magic of fairy tales! With a different fairy tale theme each class, dancers will learn balance and coordination while participating in an engaging and interactive manner, utilizing props and their imagination! Fairy tale themes will include characters such as Cinderella, Snow White, Pocahontas, the Little Mermaid, and many more! In addition to plenty of ballet technique, classes will consist of fairy tale story time, and students will receive coloring pages with different fairy tale characters at the end!

Kids Bop Jazz is a high energy class, great for boys and girls alike. Students will learn body isolations, turns, across the floor combinations and leaps. This class is an excellent source for strength and flexibility. Your child will love this fun upbeat dance class that combines jazz, hip hop and freestyle movements together.

All dance classes will consist of 20 lessons, lasting 45 minutes each, and 1 recital (at the Spring International Festival.) Dance class will take place at Absorbent Minds Montessori School during the school day.
